The 53 Chair

Finn Juhl | 1953

The 53 Chair

The 53 Chair was introduced at the Copenhagen Cabinetmakers' Guild Exhibition in 1953 and has always been one of Finn Juhl's most sought after pieces. Originally designed for master joiner Niels Vodder, the 53 Chair is defined by an elegant, sculptural expression. The 53 Chair is available in a variety of textiles and leathers with legs in walnut or oak. An optional cushion is available to order.
