# The Circle Rug

In 1963, Finn Juhl designed a series of characteristic circular patterns for the Danish carpet manufacturer, Wittrup. The simple circular pattern is enhanced by a striking use of colour, creating a unique design that embodies the trends and vibrancy of the era of the 'Swinging Sixties'. The rugs are produced in two sizes and come in four different colour combinations: 'Grey/Black', 'Orange/Green', 'Blue/Navy' and 'Beige/Nature'. The carpets are hand-tufted in a wonderfully dense 100% looped wool.
