The Undyed Circle Rug

In 1963, Finn Juhl designed a series of characteristic circular patterns for the Danish carpet manufacturer, Wittrup. House of Finn Juhl has introduced three rugs in natural, undyed hand-tufted wool. The three neutral versions stand in a calm and warm contrast to Finn Juhl's daring furniture. The rugs are all monochrome and come in three gradients: 'Chalk', 'Sandstone' and 'Clay'. The three rugs are made from 100% undyed yarn, spun by pure and new wool sourced from New Zealand.
