The 44 Chair

Finn Juhl's exclusive 44 Chair, also known as the Bone Chair, is now part of the collection to a limited extent. The Chair has achieved cult status within the design world and is solely produced in smaller series. Information on price and delivery time is only available on request from the official Finn Juhl retailers. The first series of chairs will be crafted from oak and walnut, but this may vary in the future depending on the availability of materials. The Chair is upholstered in black or undyed vegetal tanned leather. All chairs are numbered and will be delivered with a signed certificate.
