# The Kaufmann Table

Like many of Finn Juhl's iconic designs, the Kaufmann Table was originally designed for his own home. With its unusually refined edge profile, the table stands in a class of its own, creating the illusion of the tabletop floating above the frame. Almost entirely handcrafted, the table is constructed from oak, featuring a veneered walnut tabletop with solid edges.

## Product Info

Name	The Kaufmann Table
Category	Desks
Model	FJ 5045
Design	Finn Juhl
Year	1945
Relaunched	2011
Materials	Frame is oak. Tabletop is walnut veneer with solid edges. Footrests are brass.
